

Replacement Bus Pass Form

Our driver has noticed that your child does not appear to have a current bus pass in their possession.

The condition of free travel is that the pass is to be shown each time the student boards the bus. If your child does not have a pass then a fare is to be paid.

If your child has lost their pass, please complete the application form below for a new bus pass and enclose \$10.00 cash or cheque (inc GST) with the form and send to our office or give to your driver. A new pass will be posted back to you within a few days.

If your child does not have a pass and you require further information regarding bus pass applications or fare prices please contact our office on 4751 1077.

Thank you.

Blue Mountains Bus Co
